

**Camanio
Care**

**Camanio Care AB
International Journey**

**Presented by Jasmine Dahlberg,
International Sales Manager**

THE GLOBAL CHALLENGES

Camanio Care

1. Ageing Population
2. Lack of Professional Staff
3. Increasing Care Costs

Most countries face an increased % of population being >60 yrs

Sweden 2050

USA 2050

Germany 2050

China 2050

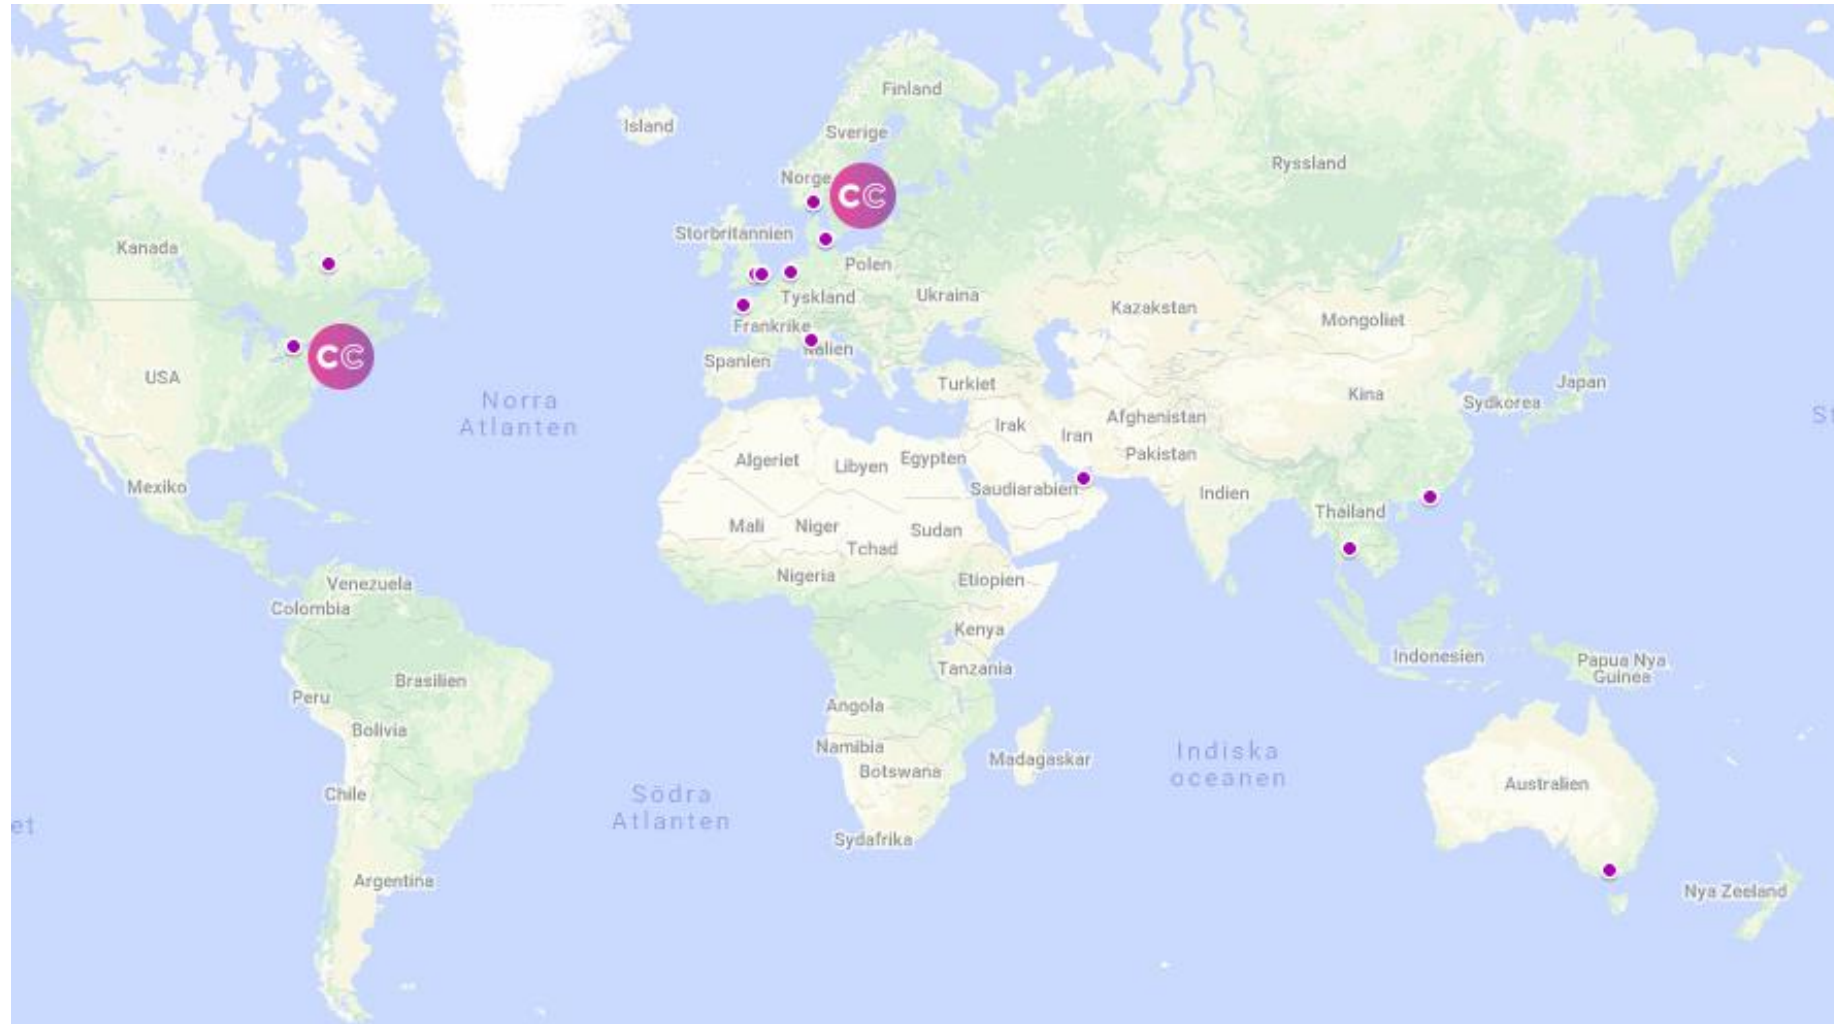

- 20 % of the world's population is expected to be over 60 in 2050.

THE SOLUTION

Camanio Care

- Innovative technology
- Dignity and control
- A cost effective care structure

International Presence

Distributors checklist

- Established profile in the market
